

**Compliance with Lloyd's Commitments to Sustainable Insurance (for use on Facilities / Line slips)**

It is hereby noted and agreed that the leaders herein are not authorised to bind any renewal or NEW BUSINESS (insurance or reinsurance) that provides any coverage for the targeted activities or assets set out in the Lloyd's Commitments to Sustainable Insurance (namely thermal coal-fired power plants, thermal coal mines, oil sands or new Arctic energy exploration), whether on a construction or operational basis or any other basis; participation is for all markets to agree their own share.

**Definitions**

NEW BUSINESS: For the purpose of this endorsement only, NEW BUSINESS means an insurance or reinsurance risk or a facility that is new to a Lloyd's Syndicate/Managing Agent, irrespective of whether the risk or facility is currently or has been previously placed elsewhere in Lloyd's.
